

uptown charlotte

the heart of the queen city

Uptown Charlotte is where the action is, day and night. It hustles and bustles all day long with business enterprise and sightseeing. The NASCAR Hall of Fame and two new museums were added to Uptown's offerings this year. Graze in The Green with its six feet tall fish and other whimsical statues. Stroll through the Fourth Ward to see colorful, historic Victorian homes. When the sun goes down this town rocks. Find casual and upscale restaurants, pubs and nightclubs. Al fresco dining beckons along the main drag, Tryon Street, so grab a seat and people watch. Take a tour by horse and buggy, hop on the Gold Rush for a free ride, or ride the Lynx Line to Historic South End and points beyond. Five local theaters present Broadway, Off Broadway and intimate solo shows. Jazz, blues, salsa, martinis, award-winning wine or brew - you will find it here in Uptown.
